Report on one day workshop on “Construction, Fabrication and Management of Aquarium”

Department of Industrial Fish and Fisheries, Govt. Degree College Baramulla organized one day workshop on “Construction, Fabrication and Management of Aquarium” on 9th of August 2021 as per the existing MOU (Memorandum of Understanding) between Department of Industrial Fish and Fisheries, Govt. Degree College Baramulla and Department of Fisheries, District Baramulla.

The programme was inaugurated by the welcome address of Prof. (Dr) Mushtaq Ahmed Lone, Principal Govt. Degree College Baramulla. The principal sir highlighted the importance of the workshop and the formally welcomed the resource person, Mr. Basharat Iqbal Wani, Aquarium Assistant, Department of Fisheries, J&K. Prof. Abdul Majeed Chalkoo, Coordinator IQAC, Govt. Degree College Baramulla in his address hailed the efforts of Department of Industrial Fish and Fisheries for its role in the academic affairs of the College and also unveiled the future developmental programmes of the college and Department of Industrial Fish and Fisheries.

The resource person Mr. Basharat Iqbal Wani, demonstrated the construction of aquarium tank from raw materials. He further demonstrated the setting and maintenance of the aquarium. Prof. Rekhmat Shah, HoD Zoology presented the vote of thanks and also felicitated the Resource person with a memento. Prof. Ajmair Singh Sodhi, senior Assistant professor Industrial Fish and Fisheries moderated the programme.

About 25 students of Department of Industrial Fish and Fisheries participated in the workshop and followed all the SOPs in view of the current pandemic. Dr. Baljeet Singh HoD Anthropology and Prof. Shakeel, Assistant Professor Computer Sciences also graced the occasion.
